

WALK TO END HIV

Walk To End HIV & New Max Robinson Center
Open House Sponsorship Opportunities

WHITMAN-WALKER
Foundation
we need you.

**Make a meaningful impact by
sponsoring the Walk To End HIV.**

**Join us on the campus of Saint
Elizabeths - the new home of our Max
Robinson Center - to see the future we
are creating together!**

The Walk to End HIV is more than just a fundraiser at Whitman-Walker. The walk symbolizes our continued efforts to find a cure for HIV and to stop the stigma surrounding HIV. This fight will take the entire community's support and commitment.

And...this year you will also be able to take a tour of our brand-new Max Robinson Center. Named for acclaimed TV anchor Max Robinson, our new Max Robinson Center will be a healthcare home and state of the art research center where we will be able to serve an additional 10,000 patients per year. The New Max will bring much needed health and wellness services to the residents of DC and we're so excited to share it with you.

Join us to engage with the community. Join us to share in the excitement of our new Max Robinson Center. Join us to fight stigma, save lives and end HIV!

About Whitman-Walker

For over fifty years, Whitman-Walker has been part of the fabric of the local DC and national community as first responder and care-provider for those living with HIV; a leader in LGBTQ care and advocacy; a research center working to discover breakthroughs in HIV treatment and prevention science; and one of the DC's most trusted partners during the current COVID-19 pandemic.

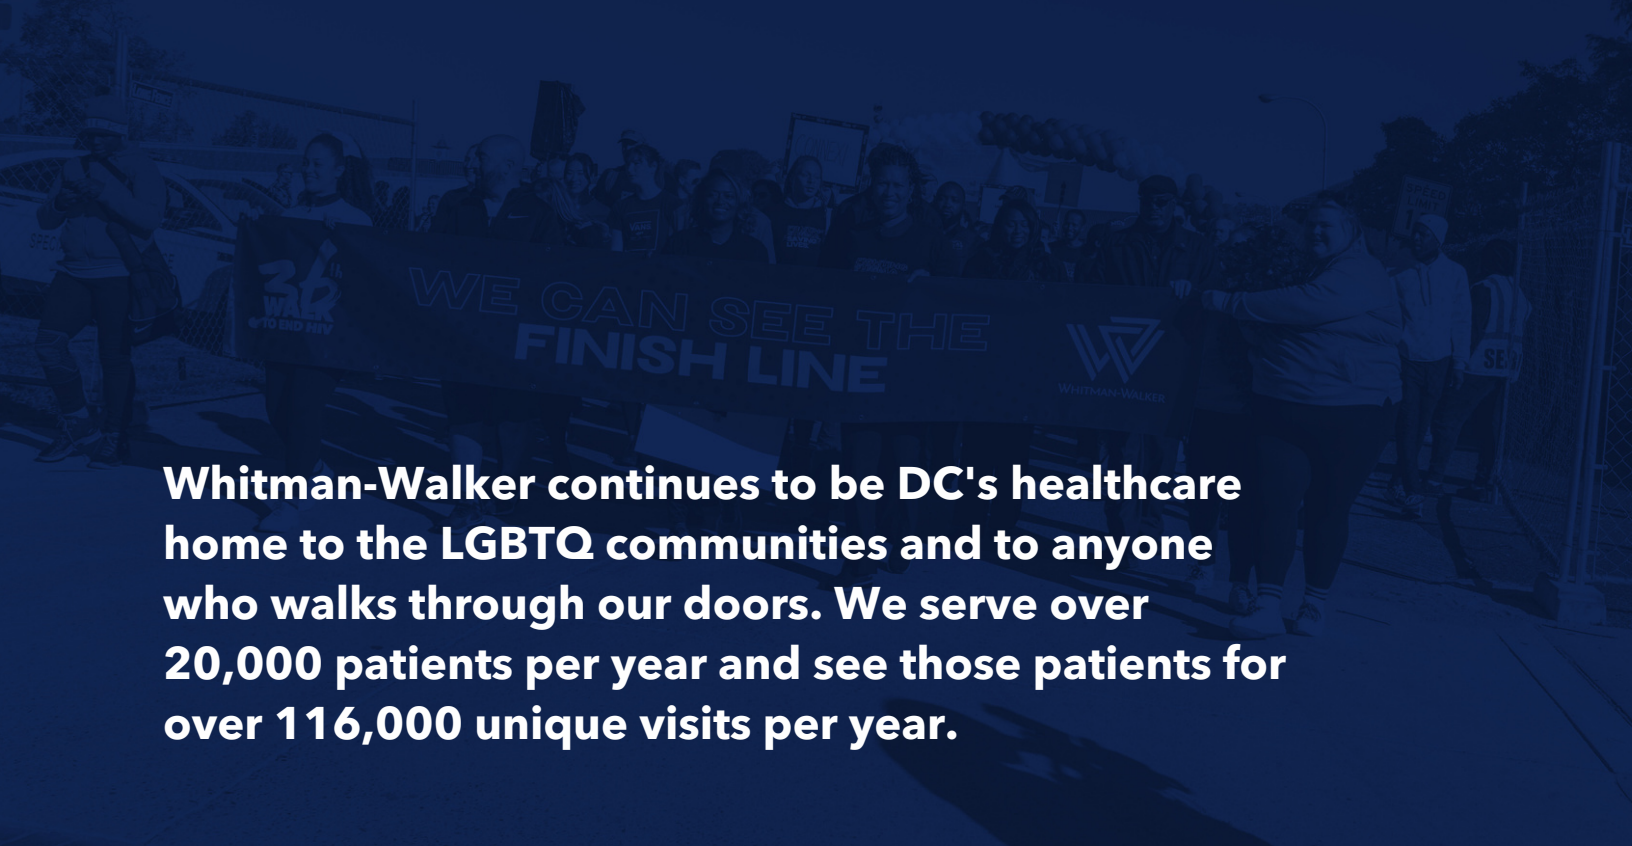

Whitman-Walker envisions a society where all people are seen for who they are, treated with dignity and respect, and afforded equal opportunity to health and wellbeing.

Through care, advocacy, research, and education, the organization strives to ensure all persons can live healthily and love openly and to feel true equality and inclusion in all aspects of their lives. At the core of the organization is a desire to create safe spaces where people are seen for who they are.

At Whitman-Walker - we see patients but we see people first. We See You!

In Fall of 2023, we'll open our new Max Robinson Center which will be a healthcare home and state of the art research center. The new care center will allow Whitman-Walker to see over 15,000 patients per year and implement over 60 research studies and clinical trials. The space will also allow Whitman-Walker to have a major role in solving some of the critical health disparities in Wards 7 and 8 in DC.

Whitman-Walker continues to be DC's healthcare home to the LGBTQ communities and to anyone who walks through our doors. We serve over 20,000 patients per year and see those patients for over 116,000 unique visits per year.

We currently have more than 2,500 participants in 40+ active research studies.

Whitman-Walker's Community Health and Medical teams provide 1/3 of all HIV-positive care and 1/3 of prevention care in DC including our nationally regarded PrEP clinic.

Whitman-Walker provides services and support to one of the country's largest transgender and gender expansive cohorts in the country.

Our Legal Services team offers over 1,500 free legal consults to clients who may be seeking asylum because of who they are

We provide more than 3,000 Free HIV tests at our GMHW Sexual Health Clinic each year.

Company Lunch & Learn

Date of your choosing

Let our team join your team for lunch to learn more about Whitman-Walker and our services as well as how your company can support our largest annual event. You supply the food. We'll supply an interesting way for your employees to learn about the community where they live and how your company can reach your corporate social responsibility goals.

To book, email Lacey Seitz at lseitz@whitman-walker.org

T-Shirt Pick-Up

October 20th, 2023 from 5pm - 7pm

Join us at LIZ (1377 14th Street) or at Gateway DC at Saint Elizabeths campus to get your gear for the 37th Annual Walk to End HIV. Our staff will be on site to help last minute registrants as well as make sure you have everything you need to get your team ready for walking and running on Saturday, October 21st.

Walk & Run & Tour Day

Saturday, October 21 from 9AM - 12PM

This is the day! Get out with your employees, friends and/or family and walk or run to help us fight HIV and support the community.

We'll get you pumped up to walk and run. Then after you run or walk the route, join us for celebrating, food, fun and tours of the new Max Robinson Center.
